Rules

Our rules are here to create better quality classes for your children. We want to eliminate any unnecessary distractions and keep a unified and respectful environment.

RESPECT

Creating a respectful environment throughout our school is important to us.

Students must be respectful towards teachers and other students and of course our teachers are respectful towards our students.

We ask parents to always speak to our teachers with respect and patience as they are doing their best. Our teachers are always happy to receive feedback in a positive manner. Feedback is always very welcome at Piri Ballet, as we continually strive to improve our school and your feedback helps us greatly to do this.

UNIFORM

Uniforms are set for each level and obligatory to wear weekly. You can buy that uniform from us on our webshop or at any other dance shop as long as it meets our requirements. We do not accept similar designs or colours. Please see our uniform guidelines at the bottom of our webpage: www.piriballet.ch

NO JEWELRY

Only small earrings are allowed. Please make sure to take off all armbands, necklaces etc before class. Again, it helps eliminate distraction and it is safer.

WATER BOTTLE

Please make sure your child has a water bottle to drink from during class. Only water is allowed in the classroom. No other drinks or food are allowed in the studio.

HAIR

Children with neatly tied back hair into a ballet bun take themselves and the class more seriously.

Hair that is not done properly is one of the biggest distractions in class for the student.

Their hair needs to be neatly tied back in a ballet bun. Use hair clips so all the hair is tied back. If hair is too short for a ponytail, please use a hair band.

Please see these hair tutorials if you are unsure how to do it:

LONG HAIR

Hair tutorial for long hair starts at 0:45 seconds.

WHEN ARRIVING LATE

If you arrive late, please wait for the music to stop before you enter. It is very distracting for the class to have someone enter in the middle of an exercise.

STAY HOME WHEN SICK

Please do not bring your children to class when they have anything contagious or if they are unwell. You can use make-up classes for missed classes because of sickness.

STAY IF CHILD NEEDS HELP WITH TOILET

Please make sure that the child has gone to the toilet before class. If your child can not yet use the toilet by themselves, stay or ask another parent to help your child.

3. It is the students legal representative's sole responsibility to notify Piri Ballet before attending any session of any circumstances affecting their health.
